INTRODUCTION

The Harris County Housing Finance Corporation has received a total allocation of \$50,000,000 to implement a single family mortgage credit certificate program within the geographic limits of Harris County, Texas, **but not within the Cities of Baytown, Deer Park, Friendswood, Houston, La Porte, League City, Missouri City, Pasadena and Pearland** (subject to change upon written notice from the Administrator (hereinafter defined)), which will allow the Corporation to issue MCCs (as defined below) in an aggregate certificate credit rate limit (the “Certificate Limit”) not to exceed \$12,500,000. The Program Manager will be Harris Housing Advisors, LLC (the “Program Manager”) and the Program Administrator will be The Southeast Texas Housing Finance Corporation, as program administrator (the “Administrator”). All capitalized terms used herein shall have the meanings assigned to them in the Definition Section of this Program Manual.

General Overview

A mortgage credit certificate (an “MCC”) is an instrument designed to assist persons of low and moderate income to better afford individual ownership of housing. The procedures for issuing MCCs were established as an alternative to the issuance of single family mortgage revenue bonds. As distinguished from a bond program, in an MCC program no bonds are issued and mortgages are financed in the conventional or government-insured market. However, the mortgagor may take a tax credit in an amount equal to the annual amount of interest paid on the mortgage loan multiplied by the Mortgage Credit Certificate Rate. The Mortgage Credit Certificate Rate for the Program is 30 percent. Thus, an Applicant with a \$100,000 mortgage and a 6.0% interest rate could realize the following federal income tax savings (numbers are rounded):

Mortgage Amount:	\$100,000
Interest Rate:	6 percent
Monthly Payment*	\$ 600
Total Interest Paid First year:	\$ 6,000
(Mortgage Credit Rate)	$\begin{array}{r} \underline{ \times .30} \\ \$ 1,800 \end{array}$

*Based upon a 30-year mortgage with equal monthly installments of principal and interest.

During the first year of the Program, the Applicant in this example would be eligible for a tax credit of up to \$1,800. The Applicant would be able to file a revised W-4 withholding form taking into consideration the anticipated tax credit and have approximately \$150 per month in additional disposable income. Additionally, taxpayers who file itemized returns may take a deduction for their mortgage interest paid each year, less an amount equal to the tax credit actually taken.

The amount of the credit actually claimed on the MCC holder's federal income tax return cannot exceed the amount of federal income taxes due after other credits and deductions have been taken into account, and because Mortgage Credit Certificate Rate exceeds 20%, the annual credit cannot exceed \$2,000. Any unused MCC related tax credit can be carried forward up to three years to be applied against future income tax liability. **In addition, all or a portion of the MCC related tax credit may be subject to recapture if the Residence is sold within nine years of purchase.** This tax credit recapture is further explained in the Notice of Potential Recapture Tax included with this Program Manual.

A purchaser of a new or existing single family home or a person seeking to refinance a "qualified subprime loan" meeting certain conditions may apply for an MCC through any mortgage lender at the time he or she applies for a mortgage from the lender. An MCC cannot be issued to a homebuyer who is refinancing an existing mortgage (except a "qualified subprime loan" or an interim construction loan) or in connection with a mortgage from a relative. Also, an MCC cannot be used in connection with a bond financed mortgage loan.

Since the Corporation will not make or hold these mortgages, neither the Corporation, the Program Manager nor the Administrator will underwrite the Loans. Rather, all Loan approval, underwriting and execution of required State and federal certifications or affidavits will be performed by the mortgage lenders originating the loans. The Program Manager will work with the Lender to expedite the Program. The Administrator will receive executed certificates and affidavits of each applicant from the Lender in order to determine eligibility for the MCC Program. Lenders will process mortgage loans of all types, using normal procedures, with additions to procedures at relevant points in order to satisfy MCC Program requirements. The MCC Program requirements are independent of any normal underwriting requirements of the Lender. In order to qualify for issuance of an MCC an applicant must meet all MCC requirements in addition to any FHA, VA or conventional loan standards which must be met to satisfy the Lender.

The Corporation encourages anyone who believes they qualify to apply for an MCC to apply at the offices of any Lender who can explain the Program and its restrictions. Use of the MCC Information Guide and the MCC Homebuyer Worksheet (each attached hereto as Exhibit B) can assist Lenders and Applicants in determining whether an Applicant may qualify for the Program. The Lender should be well-versed in the State and federal restrictions so that Applicants are made aware of these restrictions before the Application is taken. The Lender must reject those Applications where the Applicant does not qualify under the requirements of the Program.

Since the Eligible Loan Area is considered a Targeted Area through December 31, 2010, 100% of the Certificate Limit will be available for the issuance of MCCs for Targeted Area Residences. Because 100% of the Certificate Limit under the Program is available for MCCs for Targeted Area Residences through December 31, 2010, no amount of the Certificate Limit will be reserved for six months for Residences outside the Targeted Area as described in Section 1372.040, Texas Government Code.

The purpose of this Program Manual is to describe the Program, outline the relevant State and federal restrictions, identify the respective roles of the Corporation, the Administrator, the Program

Manager, the Lender, the Applicant, and the Seller, and detail the processing procedures. The Program definitions and Program documents are included for reference.

The Corporation may revise this Program Manual from time to time by issuing amendments to the Program Manual. Changes required by the Code may require revisions to the procedures outlined in this Program Manual.

DEFINITIONS

As used in this Program Manual, the following words and terms have the meanings set forth below:

Acquisition Cost. The cost to an Applicant of acquiring a Residence from the Seller as a completed residential unit, including: (i) all amounts paid, either in cash or in kind, by the Applicant (or a related party or for the benefit of the Applicant) to the Seller (or a related party or for the benefit of the Seller) as consideration for the Residence; (ii) if the Residence is incomplete, the reasonable cost of completing it, whether or not such cost is to be financed with the Loan; and (iii) if the Residence is purchased subject to a ground lease, the capitalized value of the ground rent calculated using a discount rate authorized by the Internal Revenue Service. "Acquisition Cost" does not include: (i) usual and reasonable settlement and financing costs (including title and transfer fees, title insurance, survey fees, credit reference fees, legal fees, appraisal expenses, points paid by the Applicant (but not points paid by the Seller) and other similar costs), but only to the extent that such amounts do not exceed the usual and reasonable costs which would be paid by the Applicant in a case in which financing is not assisted by the issuance of an MCC or provided through the issuance of tax exempt bonds (for example, if the Applicant agrees to pay more than a pro rata share of property taxes, such excess shall be treated as part of the Acquisition Cost); (ii) the value of services performed by the Applicant or members of the Applicant's family (including brothers and sisters (whether by whole or half blood), spouse, ancestors and lineal descendants only) in completing the Residence; and (iii) the cost of land which has been owned by the Applicant for at least two years prior to the date on which construction of the Residence begins. This term is more fully described on Worksheet Three to the Affidavit of Applicant and in the Affidavit of Seller. If a Loan to an Applicant is made for the purpose of refinancing a Qualified Subprime Loan, the "Acquisition Cost" shall be the market value of the Residence at the time of refinancing.

Acquisition Cost Limits. Initially the following shall be the applicable maximum Acquisition Cost Limits, but these amounts are subject to reduction by any applicable FHA limits, or such revised amounts as may be effective from time to time, as required by the Regulations: (i) \$258,690 in Non-Targeted Areas and (ii) \$316,177 in Targeted Areas (including, through December 31, 2010, the Rita Gulf Opportunity Zone). The determination whether the Residence meets the applicable Acquisition Cost Limit shall be made as of the date of the issuance of the MCC. Any revisions of the aforesaid Acquisition Cost Limits by the Corporation or the Administrator may rely upon average area purchase price limitations published by the Treasury Department, any successor thereof, or as may be provided in Section 143 of the Code, for the statistical area in which the Residence is located.

Administrator), together with the Adjusted Gross Income of all persons who intend to reside with such person in one dwelling unit (based on similar evidence), for the tax year immediately preceding the date of issuance of the MCC.

The Anticipated Annual Family Income cannot exceed the Income Limits, which shall be determined as of the date of issuance of the MCC.

LOAN PROCESSING PROCEDURES AND PROGRAM ADMINISTRATION

An Applicant who may be eligible should apply for an MCC in conjunction with his or her conventional, FHA or VA mortgage loan application submitted to the Lender of his or her choice.

The MCC processing procedures are designed to coincide with the regular, on-going mortgage loan processing and underwriting procedures that are in place at most mortgage lending institutions. The Corporation recognizes that there are procedural variations among the Lenders; consequently, the procedures outlined herein are meant to be suggestive with respect to the sequence of events. However, all the elements of the processing sequence noted below must at some point be completed by the responsible party.

The fees of the Program are set forth at each step in the processing procedures as follows, and the fees charged by the Lender in connection with the Program may in no event exceed the fees specified in this Program Manual. A Schedule of Fees is attached hereto as Exhibit A.

The following is the Loan processing and Program administration sequence of events for the MCC Program:

A. Loan Origination and MCC Application

1. The Applicant applies for a Loan from a Lender.
2. Lender verifies that the Residence is within the Eligible Loan Area.
3. Lender gives the Applicant an MCC Information Guide that explains the Program and contains consumer information. The MCC Information Guide is intended to present certain facts to the Applicant concerning the restrictions, regulations, and prohibitions of the Program because of certain federal and State regulations, as well as restrictions imposed by the Corporation and to explain the penalties for misuse of the Program. It is imperative that the Applicant understands the terms and conditions of the Program. During the initial interview, it is the responsibility of the Lender to explain the terms and conditions of the Program to the Applicant, and to make sure that the Applicant receives a copy of the MCC Information Guide.
4. Lender generally determines if the Applicant is a possible candidate for an MCC, based on preliminary indications of Anticipated Annual Family Income, Adjusted Gross Income, Acquisition Cost, prior Ownership, tax liability, and other relevant factors. (Use of the MCC Homebuyer Worksheet is helpful in making this determination.)
5. No applications for an MCC under the Program may be taken from an Applicant by a Lender prior to April 22, 2010. No MCCs may be issued prior to April 22, 2010. All persons interested in making applications for an MCC must be considered on a first-come, first-served basis and must have an application for a mortgage loan on file with the Lender. Lenders must keep a record of all MCC applications received and the disposition of such applications.
6. The Applicant must review and sign the Affidavit of Applicant, which, together with the Tax Certificate, serve as the application for an MCC (the "Application").
7. Upon submission of an Application by an Applicant, the Lender may collect and retain an MCC Application Fee of \$75. The MCC Application Fee is non-refundable and may be

waived by the Lender or paid by the Applicant, the Seller, or any other person on the Applicant's behalf.

8. Lender submits the Application to the Administrator.
9. Lender may provide the Applicant a copy of IRS Form W-4 Employee's Withholding Allowance Certificate which contains the IRS instructions for the taxpayer. The Applicant may complete the W-4, if necessary, to change his/her federal withholding tax, adjusting it in an amount comparable to the expected MCC tax credit.

B. Administrator Review and Issuance of MCC Commitment Letter

1. Administrator reviews the Application to determine whether it has been completed in accordance with the requirements of the Code and this Program Manual and has been properly executed.
2. If Administrator determines that the Application meets the requirements set forth in B.1 above, Administrator issues an MCC Commitment Letter to Lender stating that the Applicant has received preliminary approval and that an MCC will be executed and delivered to the Applicant upon Closing of the Loan, subject to completion of all of the remaining requirements of the Program.
3. Administrator shall keep an ongoing, cumulative-to-date total of MCC Commitment Letters issued to Lenders and of MCCs issued, less the amount of any MCC Commitment Letters which have expired or terminated. The MCC Commitment Letter will contain an expiration date of three months on a Loan for Existing Housing and six months on a Loan for New Housing.
4. When MCC Commitment Letters or MCCs have been issued which have effectively committed 75 percent of the Certificate Limit for the Program, the Administrator shall prepare and distribute a notice to all Lenders and to the Corporation stating that 75 percent of Certificate Limit has been utilized.
5. When MCC Commitment Letters or MCCs have been issued which have effectively committed all of the Certificate Limit for the Program, the Administrator shall maintain a list of Applicants in order of receipt of Application.
6. MCC Commitment Letters may not be transferred from one Lender to another. In the event an Applicant elects to change Lenders, the MCC Commitment Letter which has been issued shall be revoked and a new application process must be commenced by the Applicant with the new Lender, including the payment of a new MCC Application Fee.

C. Lender Loan Approval and Verification

1. The Lender must request the Applicant to supply his or her federal income tax returns for the previous three years to be included in the final MCC Submission Package submitted to the Administrator along with the Tax Return Affidavit. Only the Applicant's prior year's income tax return and the Tax Return Affidavit are required for a Targeted Area Loan or a Loan refinancing a Qualified Subprime Loan.
2. The Lender performs normal loan approval or underwriting procedures.

3. The Lender may consider the MCC when determining the amount of disposable income available for the monthly house payment in order to determine the Applicant's qualification for the Loan. The Lender determines general acceptability in accordance with its own loan approval standards and applicable Fannie Mae, Freddie Mac, FHA, VA and private mortgage insurance standards and underwriting guidelines.
4. In conjunction with the Lender's regular verification process, the Lender performs reasonable investigation as to whether the MCC Program requirements have been met as required by the Code and the applicable Regulations noted in the Lender Participation Agreement and the Certificate of Lender. Lenders may verify these facts at different times and in various ways, depending upon the Lender's particular procedures for processing loans.
5. The Lender verifies that the Income Limits, Acquisition Cost Limits, and other MCC Program requirements are met.

D. Applicant and Loan Approval Requirements—Overview

For loans involving MCCs, the conventional loan approval and underwriting standards may be modified to reflect a recognition of the MCC-derived federal income tax credit for mortgage interest in determining income, housing expense, and indebtedness ratios. The secondary mortgage market and the mortgage insurance industry have established underwriting policies for loans involving MCCs. These are available separately as policy statements from the mortgage lending industry.

The Applicant, Acquisition Cost and mortgage underwriting requirements covered in this section are incorporated in the MCC Program Manual documents. It will be necessary for all Applicants, Lenders and other parties to the transaction to complete and sign the appropriate MCC Program Manual documents and attest to their validity. The Lender will be required to submit certifications in which it will certify that to the best of its knowledge no material misstatements appear in the Submission Package documents. If the Lender becomes aware of misstatements, whether negligently or intentionally made, it must notify the Administrator immediately. **The Corporation reserves the right to take all appropriate actions including, if any, denial or cancellation of the MCC.** The Lender should also be aware, and inform the Applicant, that both federal and State law provide for fines and criminal penalties, as well as revocation of the MCC, for misrepresentations made in connection with participation in the Program. In an attempt to assure that Program requirements are met, an Affidavit of Applicant is required of each Applicant, and must be submitted to the Administrator.

The Lender is also responsible for supplying the Applicant with information regarding the Program and its requirements, including the Notice of Potential Recapture Tax.

Except in the case of a refinancing of a Qualified Subprime Loan, there are no restrictions with regard to the type of mortgage vehicle the Lender uses under the MCC Program. An Applicant may be eligible to refinance a Qualified Subprime Loan only if the Loan that is associated with the MCC is an FHA-insured mortgage loan that is originated under the FHA Hope for Homeowners Program (12 U.S.C. 1701z-22). The MCC Program allows the use of any mortgage instrument being generally used in the marketplace, and places no restrictions on Loan term or amortization methods.

E. Applicant Eligibility Requirements

Similar to any normal mortgage loan, the Applicant must meet the credit and underwriting criteria established by the participating Lender providing the Loan. Based on relevant federal and State regulations, Applicants must also meet the following requirements specific to MCCs:

1. First-time Homebuyer Requirement. Except for situations in which an MCC application is being made for a residence in a Targeted Area (including, through December 31, 2010, the Rita Gulf Opportunity Zone), or for the refinancing of a Qualified Subprime Loan, the Applicant who will become an MCC holder may not have had an Ownership interest in a Principal Residence at any time during the preceding three years ending on the date on which the Loan is executed. This requirement qualifies the Applicant as a “first-time homebuyer” with respect to the federal regulations. The Lender must obtain from the Applicant an Affidavit to the effect that the Applicant had no Ownership interest in a Principal Residence at any time during the three-year period prior to the date on which the Loan is executed. This must be verified by the Lender through request for, and examination of, the Applicant’s federal income tax returns for the preceding three years to determine whether the Applicant has claimed a deduction for interest or taxes on property which was the Applicant’s Principal Residence.

The first-time homebuyer requirement does not have to be met if the Residence for which a loan application is being made is located in a Targeted Area (including, through December 31, 2010, the Rita Gulf Opportunity Zone). (A list of geographical areas which comprise the Targeted Areas in the Eligible Loan Area is attached as Exhibit E). The federal regulations for MCCs require the Corporation to reserve 20 percent of the MCC authority for these Targeted Areas until at least April 21, 2011). The Lender must clearly designate MCC applications involving Targeted Area Residences where appropriate in the MCC documents.

To meet the first-time homebuyer requirement, the Applicant must complete and sign the Affidavit of Applicant and provide the last three years of federal income tax returns (or acceptable alternate exhibits - see below) attached to the Tax Return Affidavit. In lieu of actual copies of returns, Applicants who filed either IRS Form 1040A or 1040EZ may substitute an original letter from the Internal Revenue Service stating the type of return filed by the Applicant for each tax year, the Applicant’s filing status and adjusted gross income. To summarize this procedure as it applies to different cases:

- (a) If the Applicant can produce copies of signed IRS Form 1040A, 1040EZ or 1040 returns for the last three years which show no deductions of interest or taxes for a Principal Residence, these forms must be submitted to the Lender and forwarded to the Administrator with the Tax Return Affidavit.
- (b) In the event the Applicant has filed the IRS Form 1040A or 1040EZ for the preceding three years but cannot produce signed copies of the returns, the Applicant may substitute the original tax account information letter from the Internal Revenue Service verifying the required facts.
- (c) In the event the Applicant has filed the IRS Form 1040 for the preceding three years, completes and signs the other required Affidavits, but cannot produce signed copies of the returns, the Administrator will not issue an MCC until receipt of certified tax returns (including all schedules) from the IRS, which show that the Applicant took no deduction of interest or taxes for a Principal

Residence for the years in question. The certified tax returns can be requested from the IRS by the Applicant by using IRS Form 8821 or IRS Form 4506, copies of which are attached as Exhibit D to the Lender Participation Agreement.

- (d) In the event the Applicant was not required by law to file federal income tax returns for any year during the preceding three years, it will be necessary for the Applicant to so state on the Tax Return Affidavit forwarded to the Administrator with the other Program documents.
 - (e) When the Loan is Closed during the period between January 1 and February 15 and the Applicant has not yet filed his or her federal income tax return for the preceding year with the IRS, the Administrator may, with respect to such year, rely on an Affidavit of Applicant stating that the Applicant is not entitled to claim deductions for taxes or interest on indebtedness with respect to property constituting his or her Principal Residence for the preceding calendar year. The Affidavit of Applicant must be forwarded to the Administrator with the Closing Affidavit and the other Program documents.
2. Principal Residence Requirement. The Applicant must use the Residence for which the MCC was issued as his or her Principal Residence. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement of the Applicant's intent to use the Residence as his or her Principal Residence within a reasonable time (60 days) after the MCC is issued. This Affidavit further states that the MCC holder will notify the Lender and the Administrator if the Residence ceases to be his or her Principal Residence.
 3. Income Limits. The Anticipated Annual Family Income of an Applicant is limited to \$73,370 (Family size of 3 or more) or \$63,800 (Family size of less than 3) for Applicants seeking MCCs for Residences in Non-Targeted Areas and is limited to \$89,320 (Family size of 3 or more) or \$76,560 (Family size of less than 3) for Applicants seeking MCCs for Residences in Targeted Areas (including, through December 31, 2010, the Rita Gulf Opportunity Zone). These limits may be modified annually. Additionally, the Adjusted Gross Income of the Applicant and his or her Family for the preceding calendar year cannot exceed the Maximum Adjusted Gross Income, which is currently \$89,320.
 4. Acquisition Cost Limits. Initially the following shall be the applicable maximum Acquisition Cost Limits, but these amounts are subject to reduction by any applicable FHA limits, or such revised amounts as may be effective from time to time, as required by the Regulations: (i) \$258,690 in Non-Targeted Areas and (ii) \$316,177 in Targeted Areas (including, through December 31, 2010, the Rita Gulf Opportunity Zone). The determination whether the Residence meets the applicable Acquisition Cost Limit shall be made as of the date of the issuance of the MCC. Any revisions of the aforesaid Acquisition Cost Limits by the Corporation or the Administrator may rely upon average area purchase price limitations published by the Treasury Department, any successor thereof, or as may be provided in Section 143 of the Code, for the statistical area in which the Residence is located. For purposes of an MCC to be issued with respect to a Loan to refinance a Qualified Subprime Loan, the Acquisition Cost of the Residence shall be the market value of the Residence at the time of the refinancing.
 5. Revocation. An Applicant will have his or her MCC revoked if the Applicant does not meet the requirements for a Qualified MCC. Revocation will occur upon the discovery of any material misstatement, whether negligent or fraudulent, contained in any of the

documents submitted in connection with the issuance of the MCC. Revocation will occur if the Residence to which the MCC relates ceases to be Applicant's Principal Residence.

6. Fraud. If the Applicant or MCC holder provides a certificate, Affidavit, or any other information to the Lender, the Administrator or the Corporation containing a material misstatement and such misstatement is the result of fraud, then any MCC issued shall be automatically null and void without the need for any further action on behalf of the Corporation.
7. Penalties for Misstatement. If the Applicant makes a material misstatement in any Affidavit or certification made in connection with application for or the issuance of an MCC and such misstatement is due to negligence of the Applicant, the Applicant shall pay to the Corporation or its agent a civil penalty fee of \$1,000 for each MCC with respect to which a misstatement was made. If any Applicant makes a material misstatement in any Affidavit or certification made in connection with application for or issuance of an MCC and such misstatement is due to fraud, the Applicant shall pay to the Corporation or its agent a civil penalty fee of \$10,000 for each MCC with respect to which the fraudulent misstatement was made. The above-described civil penalties shall be imposed in addition to any criminal penalty.

F. Loan Requirements.

1. New Loan Requirements. Except in the case of a Loan to refinance a Qualified Subprime Loan, an MCC may not be issued in conjunction with the acquisition or replacement of an existing mortgage; however, an MCC may be issued in conjunction with the replacement of construction period loans or bridge loans of a temporary nature. The term of the construction period or bridge loans must be no longer than 24 months. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement to the effect that the Loan being made in connection with the MCC will not be used to acquire or replace an existing mortgage, subject to the exceptions outlined above.
2. Prohibited Mortgages. An MCC may not be used in conjunction with a qualified mortgage bond or a qualified veterans' mortgage bond. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement that no portion of the financing of the Residence is provided from a qualified mortgage bond or qualified veterans' mortgage bond.
3. No Interest Paid to Related Persons. No interest on the Certified Indebtedness Amount of the Loan can be paid to a person who is a "related person" to the MCC holder, as the term is defined in Section 144(a)(3)(A) of the Code and Regulations. The Lender must obtain from the Applicant, as contained in the Affidavit of Applicant, a statement that a "related person" does not have, and is not expected to have, an interest as a creditor in the Loan.
4. Transferability. If the Loan is assumed by a new purchaser, the MCC may be transferable under certain circumstances:
 - (a) The transferee must demonstrate that he or she has assumed the liability for the remaining balance of the Loan; and
 - (b) The transferee must meet all of the requirements imposed on any Applicant for issuance of an MCC outlined in this Program Manual, as well as any additional

federal, State or Corporation requirements in existence at the time the transferee applies for an MCC.

G. Loan Closing and Submission of Final MCC Program Documents

1. Lender confirms that the MCC Commitment Letter has not expired and closes the Loan in accordance with its customary procedures.
2. Lender provides the Applicant with the Notice of Potential Recapture Tax which must be signed by the Applicant at Closing of the Loan.
3. Either Lender or the closing agent submits to the Administrator a completed and executed Submission Package (see the MCC Submission Cover Sheet and the list of Submission Package exhibits).
4. The Submission Package includes all of the executed certifications and Affidavits noted therein. Each document must be complete and signed as indicated. Original documents should be sent to the Administrator, except as otherwise indicated. The eligibility of an Applicant shall be determined by Lender. Lender must review the Submission Package and related documents to determine their completeness in accordance with the terms of this Program Manual. Reasonable efforts should be undertaken to verify the information given, either independently or concurrently with underwriting procedures.
5. The Submission Package will specifically include the following documents and payments:
 - (a) The Reaffirmation of Applicant, duly executed by the Applicant;
 - (b) The Tax Return Affidavit, with the required attachments, duly executed by the Applicant;
 - (c) The Affidavit of Seller, certifying the Acquisition Cost of the Residence and certain other matters (not required in connection with the refinancing of a Qualified Subprime Loan);
 - (d) The Certificate of Lender, certifying that the Lender has performed a reasonable investigation to make the required determinations. Further, by its submission, the Lender certifies that all Program eligibility requirements have been met and that the Loan fees are reasonable relative to other loans not associated with an MCC program;
 - (e) The Closing Affidavit, executed by the escrow or closing agent or the Lender, attesting to the fact that the Loan was Closed and stating the final mortgage Loan amount;
 - (f) The Notice of Potential Recapture Tax, duly executed by the Applicant; and
 - (g) The MCC Program Participation Fee collected by the Lender from the Applicant at Closing.

6. LENDER AGREES TO PROVIDE INFORMATION TO BE REPORTED UNDER THE FEDERAL HOME MORTGAGE DISCLOSURE ACT AS REQUIRED BY SECTION 394.027 OF THE ACT.
7. ALL DOCUMENTS AND THE FEE MUST BE SUBMITTED TO THE ADMINISTRATOR BY THE EARLIER OF 15 DAYS AFTER THE CLOSING DATE OR WITHIN 15 DAYS OF THE MCC COMMITMENT LETTER EXPIRATION DATE.
8. SUBMISSION BY THE LENDER OF AN INCOMPLETE SUBMISSION PACKAGE, INCLUDING SUBMISSION OF DOCUMENTS NOT FULLY COMPLETED, WILL RESULT IN THE REJECTION OF THE PACKAGE BY THE ADMINISTRATOR AND MAY SUBJECT THE LENDER TO THE ASSESSMENT OF AN MCC RESUBMISSION FEE.

H. Issuance of MCC

Administrator confirms, based on documentation submitted by Lender, the completion of the Applicant's file, that the MCC Commitment Letter was exercised, that the Loan was Closed as evidenced by the Submission Package, that the Applicant has met the requirements set forth in the Program Documents for issuance of an MCC and the Administrator then forwards to the Applicant an executed Mortgage Credit Certificate dated as of the Closing Date of the Loan. A copy of the MCC is forwarded to the Lender and a second copy is forwarded to the Corporation. No MCC may be issued prior to April 22, 2010, and no MCC may be issued for Loans having a Closing Date after April 21, 2011.

I. Resubmission of MCC Documents

If an MCC Application or Submission Package has been returned or denied by the Administrator, any resubmission, if appropriate, must include all information which the Administrator has determined necessary for reconsideration. An MCC Application or Submission Package that is being submitted a second time will be reviewed in depth and must be accompanied by an MCC Resubmission Fee of \$25 payable by check or money order to the Administrator, which MCC Resubmission Fee may not be charged to the Applicant absent a showing of the Applicant's negligence.

J. Extensions of MCC Commitments

1. An extension may be requested with regard to any MCC Commitment Letter which is outstanding if the related Loan has not Closed.
2. A two-month extension of the MCC Commitment Letter will be given upon Lender's submission of the MCC Commitment Extension Request Form and a \$25 MCC Extension Fee. Additional extensions may be granted if and when the Administrator determines that extenuating circumstances exist. Expiration dates may be subject to additional federal requirements.

K. MCC Commitment Cancellations

Lender must notify the Administrator of MCC Commitment Letters to be canceled by submitting written notification and returning the original MCC Commitment Letter.

L. MCC Commitment Amendments

In the event of any change in the Residence address, increase in Loan amount, or change in marital status of the Applicant which would necessitate the refiling of an amended Affidavit of Applicant and the revision of an MCC Commitment Letter, the Lender must submit a new Affidavit of Applicant with the correct information and a cover letter referring to the original MCC Commitment Letter number requesting the revision of the MCC Commitment Letter.

M. Changes Prior to Closing

MCC Commitment Letters are issued subject to the condition that all the requirements necessary for issuance of an MCC shall have been met prior to issuance of the MCC. Lender must notify the Administrator of any changes that affect the conditions under which the MCC Commitment Letter was issued, including but not limited to changes in the Applicant's financial status, family size or income, the employment status of the Applicant or the Applicant's spouse, marital status or the amount of the Loan.

The MCC Commitment Letter is issued in reliance upon the Affidavit of Applicant. Lender must immediately notify Administrator in writing of any change in the circumstances upon which the MCC Commitment Letter was issued. If any change of the circumstances upon which the MCC Commitment Letter was issued occurs so that the MCC to be issued will not meet the requirements of a Qualified MCC, the MCC Commitment Letter will be revoked.

N. Record Keeping and Report Filing

1. For each calendar quarter the Corporation issues MCCs beginning with the quarter in which the election to issue MCCs is made, the Administrator will file on behalf of the Corporation reports on IRS Form 8330.
2. The Administrator will report annually to the Internal Revenue Service on behalf of the Corporation in the form prescribed by Treasury Regulation § 1.25-4T(e):
 - (a) The number of Mortgage Credit Certificates by Income and Acquisition Cost as required by IRS reporting regulations; and
 - (b) The volume of Mortgage Credit Certificates by Income and Acquisition Cost as required by IRS reporting regulations.
3. For each calendar year during which it originates Loans to Applicants obtaining MCCs, each Lender must file an annual report using IRS Form 8329. Prior to the filing deadline for such report, the Administrator will assist in furnishing to the Lender the information available in its records necessary for the Lender to complete IRS Form 8329.
4. For six years, the Lender must retain:
 - (a) Name, address (including the address of the Residence financed with the Loan) and taxpayer identification number of each MCC holder;
 - (b) Name, address and taxpayer identification number of the Corporation; and
 - (c) Date of Loan, Certified Indebtedness Amount, and Mortgage Credit Certificate Rate.

5. In January following each year during which MCCs are issued, the Administrator shall mail an IRS Form 8396 to each MCC holder of record as a reminder to properly declare the MCC tax credit for federal income tax purposes.
6. LENDER AGREES TO PROVIDE INFORMATION TO BE REPORTED UNDER THE FEDERAL HOME MORTGAGE DISCLOSURE ACT AS REQUIRED BY SECTION 394.027 OF THE ACT.

O. Revocation of MCCs

1. Automatic revocation occurs when the Residence related to the MCC ceases to be the MCC holder's Principal Residence.
2. An MCC will be revoked if the holder ceases to meet the requirements with respect to a Qualified MCC.
3. Revocation of the MCC will occur upon the discovery of any material misstatement, whether negligent or fraudulent, by any person related to the issuance of the MCC.

P. Curing Defects

In the event any defects or omissions are discovered in the Application or in any certificate or Affidavit or any document included or which should have been included in the Submission Package after an MCC has been issued, Lender and MCC holder shall be notified of such defect and given 60 days to cure same prior to revocation of the MCC.

Q. Transfer of MCCs on Mortgage Assumptions

A Loan assumption associated with an MCC will be treated as a new MCC application, and the procedure required by this Program Manual must be repeated for the new Applicant. Transfer of the MCC is dependent upon the ability of the transferee to qualify under the Program requirements in effect at the time of the transfer. The Corporation gives no assurance that it will approve such a transfer. Since an MCC will already be outstanding, an MCC Commitment Letter will not be issued, and all of the required Program documents will be submitted at one time with the new Submission Package. A single MCC Assumption or Refinancing Fee of \$325 will be charged by the Administrator in connection with such transfers.

R. Audit

The Administrator or the Program Manager may perform a random audit of Lender records to determine compliance with required Program procedures.

S. Notice of MCC Eligibility Denial

In the event a Lender determines that an Applicant is ineligible for an MCC Commitment Letter or the issuance of an MCC, the Lender shall file a Notice of Denial of Eligibility for MCC form with the Administrator. Lender shall complete the Notice of Denial of Eligibility for MCC stating the reason Lender denied Applicant's eligibility in the MCC Program, and Administrator shall maintain a list of such prospective Applicants that were denied eligibility in the Program.

T. Recapture of MCC Tax Credit

In the event an MCC holder sells the Residence within nine years of issuance of the MCC, a portion of the tax credit utilized by the certificate holder may be subject to a recapture tax. See the Notice of Potential Recapture Tax for further information regarding tax credit recapture.

U. Reissuance of MCC in Case of Refinancing

In the event an MCC holder refinances the Loan on the Residence, the Applicant shall submit the MCC Reissuance Application and shall pay the \$325 MCC Assumption or Refinancing Fee. The period for which the reissued certificate is in effect begins with the date the refinancing is closed. The Administrator shall reissue the MCC if: (i) the MCC is reissued to the holder of an existing MCC with respect to the same property to which the existing MCC relates; (ii) the reissued MCC entirely replaces the existing MCC (that is, the holder cannot retain the existing MCC with respect to any portion of the outstanding balance of the certified mortgage indebtedness specified on the existing MCC); (iii) the Certified Indebtedness Amount specified on the reissued MCC does not exceed the outstanding balance of the Certified Indebtedness Amount specified on the existing MCC; (iv) the reissued MCC does not increase the Mortgage Credit Certificate Rate specified in the existing MCC; (v) the Expiration Date on the newly reissued MCC is not later than the Expiration Date on the existing MCC; and (vi) the reissued MCC does not result in an increase in the tax credit that would otherwise have been allowable to the holder under the existing MCC for any taxable year. **The Lender or closing agent, as applicable, shall certify on the Closing Affidavit as to the outstanding balance on the Loan associated with the existing MCC so that the Administrator can make the determination required by clause (iii) of this paragraph.**

V. Down Payment Assistance Program

The Corporation will implement a Down Payment Assistance Program (“DPAP”) in connection with the Program. The Corporation will provide down payment assistance in the form of \$1,000 per applicant (\$75 will be paid by the Corporation directly to the Administrator) for the first 136 Applicants who are first-time homebuyers and who earn less than 80% of area median income, adjusted for family size (the current income limits are set forth in the table below and are subject to change annually). The Administrator will review DPAP grant assistance applications submitted by the Lenders as provided in the Administration Agreement. Upon approval, the Administrator will advance its own funds for DPAP grants in accordance with the procedures set forth in the Administration Agreement and will invoice the Corporation monthly for DPAP grants disbursed during the preceding month.

**SCHEDULE OF PROGRAM
FEES AND EXPENSES**

MCC Application Fee \$75

This fee is paid by the Applicant to the Lender at the time of submission of an Application for an MCC.

MCC Program Participation Fee..... 1% of the Loan amount, plus \$75

This fee is paid by the Applicant to the Administrator for the benefit of the Corporation at the time of the Closing of the Loan. If no MCC is issued to the Applicant, the MCC Program Participation Fee will be returned to the Applicant.

MCC Extension Fee..... \$25

This fee is paid to the Administrator by the Applicant with the Lender's request for a two month extension of the MCC Commitment Letter. Absent such an extension, MCC Commitment Letters remain in effect for three months in the case of Existing Housing and six months in the case of New Housing. Additional extensions may be granted if extenuating circumstances exist.

MCC Resubmission Fee \$25

This fee is submitted to the Administrator by the Lender each time the documentation for the MCC has been rejected based upon non-compliance with the Program guidelines and such documentation is being resubmitted for consideration by the Administrator. Since the Lender is responsible for assuring that all documentation is in order prior to submission to the Administrator, this fee is chargeable to the Lender rather than to the Applicant absent a showing of the Applicant's negligence.

Late Fee..... \$75

This fee is paid to the Administrator by the Lender for a Submission Package that is sent to the Administrator more than 15 days after the Closing Date.

**HARRIS COUNTY HOUSING FINANCE CORPORATION
2010B MORTGAGE CREDIT CERTIFICATE PROGRAM**

MCC INFORMATION GUIDE

The Harris County Housing Finance Corporation (the “Corporation”) recently implemented a Mortgage Credit Certificate Program to help make ownership of homes located within the geographic limits of Harris County, Texas, **but not within the Cities of Baytown, Deer Park, Friendswood, Houston, La Porte, League City, Missouri City, Pasadena and Pearland** (subject to change upon written notice from the Administrator (hereinafter defined)) more affordable for low to moderate income households, especially first-time buyers. A Mortgage Credit Certificate (MCC) increases a family’s disposable income by reducing its federal income tax obligations. This tax savings provides a family with more available income to qualify for a loan and meet mortgage payment requirements. In order to participate in the Program, homebuyers must meet certain eligibility requirements, purchase a home, and obtain a mortgage loan through a Lender. (Refer to the MCC Homebuyer Worksheet to see if you meet the general requirements for participation in the Program.) The Corporation has appointed The Southeast Texas Housing Finance Corporation (the “Administrator”) to administer the Program.

Pursuant to the Gulf Opportunity Zone Act of 2005, Residences located in certain areas affected by Hurricane Rita, including all of Harris County, Texas, are treated as Targeted Area Residences through December 31, 2010. Therefore, through December 31, 2010, Residences located anywhere in the Eligible Loan Area are considered to be Targeted Area Residences for federal tax law and are subject to the eligibility requirements for Targeted Area Residences described below. After such date, only Residences located in certain federally designated qualified census tracts are considered to be Targeted Area Residences.

ELIGIBLE BORROWERS

First-time Homebuyer Requirement: In general, borrowers seeking financing for the purchase of a residence must be first-time homebuyers, which means that the borrower has not owned a principal residence in the past three years. This requirement does not apply to Residences located within a Targeted Area (including, through December 31, 2010, the Rita Gulf Opportunity Zone) or if the MCC is issued in connection with refinancing a “qualified subprime loan” meeting certain criteria. See “Targeted Areas” below.

Maximum Income Limits: A borrower’s current anticipated annual family income must not exceed:

	<u>Non-Targeted Area</u>	<u>Targeted Area*</u>
1-2 Family Members	\$63,800	\$76,560
3+ Family Members	\$73,370	\$89,320

Additionally, your adjusted gross income for last year must be \$89,320 or less. (These numbers are subject to change annually.)

HOME ACQUISITION COST† LIMITATIONS

<u>Non-Targeted Area</u>	<u>Targeted Area*</u>
\$258,690	\$316,177

* Includes Rita Gulf Opportunity Zone through December 31, 2010.

† For MCCs issued in connection with refinancing a “qualified subprime loan,” the purchase price shall be the market value of the Residence at the time of the refinancing.

(These numbers are subject to change annually.)

ELIGIBLE PROPERTY

General Information: New or existing owner-occupied, single family houses, townhouses, and condominiums are eligible. The cost of the residence must not exceed the maximum purchase price limits outlined in this MCC Information Guide.

Financing Terms: The mortgage loan must be financed from sources other than tax-exempt mortgage bonds or veteran's tax-exempt mortgage bonds. The mortgage may be a conventional, FHA or VA loan and will be at prevailing market rates. The interest payable under the loan must not be paid to a person who is related to the borrower.

PROGRAM DESCRIPTION

General Information: An MCC is a tax credit that will reduce the federal income taxes of qualified homebuyers purchasing a qualified Residence. As a result, the MCC has the effect of reducing your mortgage payments. Applications must be made to the Lender prior to closing the Loan. The MCC may not be used in connection with the refinancing of an existing loan.

Benefit Amount: The size of your annual tax credit will be 30 percent of the annual interest paid on your mortgage loan or \$2,000, whichever is less. The credit cannot be larger than your annual federal income tax liability, after all other credits and deductions have been taken into account. MCC credits in excess of your current year tax liability may, however, be carried forward for use in the subsequent three years. For an example of how MCCs work, see the MCC Homebuyer Worksheet.

Assumability: The MCC can be transferred only upon issuance of a new certificate by the Administrator. The person assuming your loan will have to qualify just as a new borrower would be required to qualify under the Program and pay applicable fees.

Tax Credit Versus Tax Deduction: A mortgage interest deduction differs from a mortgage tax credit in a number of ways. For example, all homebuyers, regardless of income, may take a mortgage interest deduction, whereas mortgage tax credits are available only to holders of Mortgage Credit Certificates. The dollar value of a mortgage interest deduction depends upon your tax bracket. If you are in the 15 percent tax bracket, you will save 15 cents in taxes for each dollar of mortgage interest paid. With the Mortgage Credit Certificate, you will save \$1 for each \$1 of credit received. Using an MCC and itemizing your deductions on Schedule A of Form 1040 will require you to reduce your mortgage interest deduction by an amount equal to your mortgage tax credit claimed.

Length of Benefit: Each year, your mortgage tax credit will be calculated on the basis of 30 percent of the total interest you paid on your mortgage loan that year. The MCC will be in effect for the life of your mortgage loan, so long as the residence remains your principal residence.

Recapture of Tax Credit: Your Mortgage Credit Certificate will be subject to certain requirements imposed by federal law concerning the recapture of a portion of the mortgage tax credit benefits granted to you upon the sale of your residence within nine years from the date of purchase. In no event will the recapture tax exceed one-half of your taxable gain on the sale of your residence. A separate notice of potential recapture tax disclosure form is available from participating lenders explaining how these requirements operate.

Down Payment Assistance. If you are a first-time homebuyer whose income is less than 80% of area median income, you may be eligible for up to \$1,000 of down payment assistance under the Program.

APPLICATION INFORMATION

Where to Apply: You may apply for an MCC in person at any mortgage lending institution. You may apply for an MCC through only one lending office. Any lender who has completed and filed a Lender Participation Agreement with the Administrator is a Participating Lender. If your lender is not a Participating Lender, have them contact the Administrator for a copy of the Lender Participation Agreement. Lenders are not required to participate in this Program.

How to Apply: At the time of MCC application, you will need to supply the Lender with general credit information such as account numbers for loans, credit cards, and bank accounts, three years of tax returns with W-2s attached, and a check for \$75 for the MCC Application Fee. This fee is non-refundable. After you have made application, the Lender will forward your application to the Administrator. Upon receipt of a qualifying application, the Administrator will issue an MCC Commitment Letter which will reserve an MCC for three months for a loan for Existing Housing and six months for a loan for New Housing. At loan closing and upon the payment of the MCC Program Participation Fee of 1% of the mortgage loan amount, plus \$75 and submission of the required Program documents in compliance with the guidelines, the MCC will be issued directly to you. Extensions are allowed upon request and the submission of a \$25 MCC Extension Fee. MCCs cannot be transferred from one Lender to another. In the event you desire to change Lenders, the MCC application and commitment will be revoked and the application process must start over with the new Lender.

FOR FURTHER INFORMATION

Telephone Numbers: If possible, please direct any inquiries you may have about our Program to one of the participating Lenders. If you are not able to obtain sufficient information in this manner, you may telephone the Program Manager, at (713) 952-2363. This MCC Information Guide is a general summary of the Program. Although we have attempted to ensure the accuracy of this Guide, it is subject to federal regulations, the Program documents, and to change without notice.

PARTICIPATING LENDERS

On October 9, 2009, the Corporation published reasonable public notice soliciting a statement from interested mortgage lenders in accordance with the Regulations thereby enabling the Corporation to maintain a list of participating lenders.

(FORM OF CERTIFICATE)
(REVERSE)
TERMS AND CONDITIONS

FEDERAL TAX CREDIT. This Mortgage Credit Certificate (“MCC”) entitles the holder (as named on the face of this MCC) to an annual federal tax credit equal to the lesser of 30 percent of the annual interest paid on the mortgage loan described on the face of this MCC or \$2,000.00. In addition, this MCC will reduce the holder’s mortgage interest deduction by an amount equal to the tax credit for the same tax year. The credit cannot be larger than the holder’s annual federal income tax liability, after all other credits and deductions have been taken into account. MCC credits in excess of current year tax liability may, however, be carried forward for use in the subsequent three years. At the time of issuance of this MCC, the filing of IRS Form 8396 is required in order to take advantage of the tax credit each year.

PRINCIPAL RESIDENCE. This MCC is to be used in connection with the financing of the purchase of a Residence. The Residence must be or become the holder’s “Principal Residence” within a reasonable time (not to exceed 60 days) following the date of issuance of the MCC. The “Principal Residence” means a Residence that, depending on all the facts and circumstances (including the good faith intent of the occupant), is occupied by the holder primarily for residential purposes. “Principal Residence” does not include a home used as an investment property or a recreational home, or a home that is used primarily in a trade or business (as evidenced by the use of more than 15 percent of the total floor space in a trade or business). Further, the holder may not claim, with respect to the Residence, any deductions pursuant to Section 280A of the Internal Revenue Code of 1986, as amended, for expense incurred in connection with the business use of a home.

PRIOR OWNERSHIP OF A RESIDENCE. The holder of this MCC cannot have had a present ownership interest in a Principal Residence at any time during the three-year period prior to the date on which the Loan is executed. The term “present ownership interest” includes a fee simple interest; a joint tenancy, a tenancy in common or a tenancy by the entirety; the interest of a tenant-shareholder in a cooperative; a life estate; a land contract under which possession and the burdens and benefits of ownership are transferred although legal title is not transferred until some later date; and an interest held in trust for one person by another person. A “present ownership interest” does not include a remainder interest, a lease with or without an option to purchase, mere expectancy to inherit an interest in a principal residence, the interest that a person acquires upon the execution of a real estate purchase contract, or any interest in other than a “Principal Residence” during the previous three years. This requirement is waived if the Residence is located in a Targeted Area. There is no restriction on prior ownership for purchasers of a Residence within a Targeted Area (which includes, through December 31, 2010, all of Harris County) or if the MCC is issued in connection with the refinancing of a Qualified Subprime Loan.

PARTICIPATING LENDER AND LOAN ELIGIBILITY. Financing may be sought from any Lender. The decision to make a loan is completely within the discretion of the Lender to whom the application for a mortgage loan is submitted. The Issuer plays no role in the decision to make a Loan or determining the amount of the Loan.

MORTGAGE REQUIREMENTS. No MCC will be issued in connection with financing that is to be used to replace an existing mortgage on the Residence to which the holder is a party or upon which the holder is an obligor. No MCC will be issued unless, prior to the date thereof, the holder was not a party to a mortgage on the Residence (whether in the form of a deed of trust, contract for deed, conditional sales contract, pledge, agreement to hold title in escrow, or other form of owner financing), other than (i) a construction loan, bridge loan, or other temporary initial financing having a term not exceeding 24 months or (ii) a Qualified Subprime Loan. In addition, no MCC will be issued if any financing for the Residence is to be obtained from a qualified mortgage bond or qualified veterans’ mortgage bond or if any person who is related to the holder has an interest as a creditor in the financing.

OCCUPANCY OF THE RESIDENCE. If the Residence ceases to be occupied as the holder’s “Principal Residence,” the holder will no longer be eligible for the MCC and must immediately notify the Administrator and the Lender providing the financing of this fact and the date of this event.

INCOME LIMITS. At the time of execution of the Loan in connection with which this MCC is issued, the holder purchasing a Residence in a Non-Targeted Area cannot have an Anticipated Annual Family Income in excess of \$73,370 per year (Family size of 3 or more) or \$63,800 (Family size of less than 3). A holder purchasing a Residence in a Targeted Area (which includes, through December 31, 2010, all of Harris County) cannot have an Anticipated Annual Family Income in excess of \$89,320 (Family size of 3 or more) or \$76,560 (Family size of less than 3). Additionally, the Adjusted Gross Income of the Applicant for the year preceding the issuance of the MCC cannot exceed the Maximum Adjusted Gross Income. The Income Limits may be subject to adjustment at any time.

ACQUISITION COST LIMITS. The acquisition cost for the Residence being acquired in connection with which this MCC is issued cannot exceed \$258,690 in a Non-Targeted Area. In the case of a Targeted Area Residence (which includes, through December 31, 2010, all of Harris County), the acquisition cost cannot exceed \$316,177. For purposes of a Loan to refinance a Qualified Subprime Loan, the acquisition cost of the Residence is the market value of the Residence at the time of the refinancing. These limits may be subject to adjustment at any time.

TRANSFERABILITY. This MCC is not assumable and is transferable only upon application to the Administrator. The proposed transferee must meet all Program requirements then in effect.

COMPLIANCE WITH INTERNAL REVENUE CODE. This MCC is intended to comply with the provisions of Section 25 of the Internal Revenue Code of 1986, as amended, as well as any other applicable federal or State laws.

AFFIDAVIT OF APPLICANT

THE STATE OF TEXAS §

§

COUNTY OF HARRIS §

The undersigned Applicant (whether one or more) under the Harris County Housing Finance Corporation’s (the “Corporation”) 2010B Mortgage Credit Certificate Program (the “Program”), the buyer(s) or owner(s) of the Residence listed above within the geographic limits of Harris County, Texas **but not within the Cities of Baytown, Deer Park, Friendswood, Houston, La Porte, League City, Missouri City, Pasadena or Pearland** (subject to change upon written notice from the Administrator (hereinafter defined)) (the “Residence”), promises, under penalty of perjury and the penalties listed here, that each of the following statements are true, correct and complete:

1. Income.

a. My anticipated annual family income is \$ _____. [See Worksheet One attached to this certificate.]

b. My adjusted gross income for the last year, when added to the adjusted gross income of all persons who intend to live with me in the Residence, is \$ _____. [See Worksheet Two attached to this certificate.]

c. I agree to furnish true copies of the federal income tax returns (with W-2s attached) that were signed and filed with the Internal Revenue Service for the past three years, including the most recent year, for myself and all persons who will live with me in the Residence and who will be liable on the loan. *[If the Residence is located in a Targeted Area (which includes, through December 31, 2010, all of Harris County) or if the Applicant seeks to refinance a Qualified Subprime Loan, only tax returns for the year most recently ended need to be provided.]*

I authorize the Lender listed above to review the returns to verify the statements I make here, and I authorize The Southeast Texas Housing Finance Corporation (the “Administrator”), the

Program Manager, the Lender listed above, the Corporation and their agents to review the returns as may be necessary to process my application for a Mortgage Credit Certificate ("MCC") under the Program.

2. Family Size. The total number of my family members who will live with me in the Residence, plus any other persons who are not part of my family but who will live with me in the Residence, is _____.

3. Location of Residence. The Residence is located at the address listed above, which is within the geographic limits of Harris County, Texas but not within the Cities of Houston, Baytown, Deer Park, Friendswood, Houston, La Porte, League City, Missouri City, Pasadena or Pearland (subject to change upon written notice from the Administrator).

4. Acquisition Cost. (a) The Residence is (check one):

_____ a new single family residence that has never been lived in; or

_____ a single family residence that has been lived in before.

The "Cost" of the Residence (as calculated on Worksheet Three attached to this affidavit) is \$_____. "Cost" includes:

- (i) everything that I paid or that someone else paid for me, either in cash or in kind, for the Residence;
- (ii) if the Residence is not finished, the reasonable cost to finish it, whether or not the cost to finish the Residence is covered by the amount I borrowed to buy the Residence; and
- (iii) if the Residence sits on leased ground, the value of the ground lease.

I understand that "Cost" does not include:

- (i) settlement and financing costs (such as title and transfer fees, title insurance, survey fees, credit reference fees, legal fees, appraisal fees, points paid by me (but not points paid by the Seller), credit report fees, FHA insurance premiums, hazard or flood insurance premiums, abstract fees, tax service fees, recording or registration fees, escrow fees, file preparation fees and other similar costs);
- (ii) the value of any services performed by me or my family members (including brothers and sisters (whether by whole or half blood), spouse, ancestors and lineal descendants only) in completing the Residence;
- (iii) the cost of the land the Residence sits on, if I owned the land for at least two years before the Residence was built;
- (iv) amounts that I paid or that someone paid for me to the Seller or for the Seller of the Residence for property that is not a "fixture" (permanently attached to the land or to the Residence); and
- (v) amounts that I paid or that someone paid for me or that the Seller of the Residence paid or that someone paid for the Seller for painting, minor repairs, floor refinishing or other fix-up expenses.

If the Mortgage is for the purpose of refinancing a Qualified Subprime Loan, the "Acquisition Cost" is the market value of the Residence at the time of refinancing.

(b) Worksheet Three attached to this certificate is an accurate calculation of the “Cost” of the Residence.

5. Principal Residence. (a) I intend to live in the Residence within a reasonable time (not to exceed 60 days) after closing of the Mortgage. The Residence will be my “Principal Residence.” I understand that “Principal Residence” means the home where I live and which is used primarily as a residence (not as a business). Whether the Residence is my Principal Residence depends on my particular circumstances, including my good-faith intention to make the Residence my Principal Residence. I understand that a “Principal Residence” does not include a home used that is rented to someone else or a vacation home or a home that is used primarily in a trade or business. If 15 percent or more of a home is used in a trade or business, the home is considered used primarily in a trade or business. I agree to notify the Lender and the Administrator immediately if the Residence stops being my Principal Residence.

(b) If any part of the Residence is used in my trade or business, I agree that I will not claim any deductions on my income tax return for such use.

6. Prior Ownership of a Residence. Either (a)(i) I have not owned a “Principal Residence” at any time during the last three years. I understand that “Principal Residence” means the same thing that it did in the paragraph above. I understand that owning a “Principal Residence” could include the following types of arrangements:

- (A) direct ownership;
- (B) ownership along with someone else;
- (C) an agreement that once a certain number of payments of a set amount were made, I would own the residence; and
- (D) any other arrangements that would give me ownership in the future;

(ii) Worksheet Four attached to this certificate is a correct list of the places I have lived during the past three (3) years; and

(iii) I have not claimed any deductions on my income tax returns during the last three years for real property taxes or interest on a home; or

(b) The Residence is located in a Targeted Area (which includes, through December 31, 2010, all of Harris County) or the Mortgage is to refinance a Qualified Subprime Loan.

7. New Mortgage. Except as set forth below, the Mortgage on the Residence will not be used to repay a mortgage that I owed on the Residence or that I co-signed. I have never had a mortgage on the Residence (except for a Qualified Subprime Loan being refinanced by the Mortgage or a temporary construction loan within 24 months from the date of this affidavit if the Residence was recently built).

If the proceeds of the Mortgage will be used to refinance a Qualified Subprime Loan or replace a construction loan, describe the loan in the space below. Be specific about the lender, the purpose and the term of the loan.

8. **Prohibited Mortgages.** No portion of the financing for the Residence may come from the proceeds of qualified mortgage bonds or qualified veterans' mortgage bonds.

9. **Size of Property; Income from Property.** The lot that the Residence sits on is not larger than the normal size of lots in the area. I do not expect to make any money from the lot that the Residence sits on, such as by selling or leasing a portion of the lot.

10. **Other Owners of Residence.** Once I buy the Residence, no one will own any part of the Residence who has not signed this affidavit or another affidavit like this one.

11. **Verification.** I understand that the Lender, the Administrator, the Internal Revenue Service, the Corporation or their authorized representatives will check to make sure that my statements in this affidavit are true and complete. I agree to allow the Lender, the Administrator, the Internal Revenue Service, the Corporation and their authorized representatives access to any information, including my past income tax returns, the checks from my bank or other proof that I paid my rent, utility bills, work records, etc., that may be needed to check the information I have provided. I will authorize others, such as my bank or my employer, to provide the information required to confirm the statements that I have made.

12. **Program Information.** I have been furnished a copy of the MCC Information Guide and am familiar with and understand the provisions of the Program.

13. **No Other Certificate.** I have not previously received an MCC under the Program.

14. **Lender.** I have not been required to use any particular lender to finance the purchase of the Residence in order to qualify for the MCC Program.

15. **Transfer or Assumption.** I understand that the MCC may not be transferred unless the Corporation, through the Administrator, issues a new MCC. If I ever want to transfer my MCC under the transfer provisions of the Program, the person to whom my MCC is transferred must qualify as an Applicant and must meet all of the requirements for an MCC that are in place at the time the new certificate is to be issued.

16. **Interest to Related Persons.** No portion of the Mortgage has been made by or will be repaid to a person who is related to me.

17. **Possible Interest Recapture.** I understand, acknowledge, and agree that because I am receiving an MCC with my mortgage loan, I am receiving the benefit of a credit against my federal income tax and, therefore, if I sell or otherwise dispose of the Residence during the next nine years, this benefit may be "recaptured" by an increase in my federal income tax for the year in which I sell the Residence. The recapture only applies, however, if I sell the Residence at a gain and if my income increases above specified levels. I understand that I may wish to consult a tax advisor

or the local office of the Internal Revenue Service at the time I sell the Residence to determine the amount, if any, of the recapture tax, and that, at closing or within 90 days thereof, I will be given additional information that will be needed to calculate the recapture tax.

18. Family Members. (Check one)

(a) I am an employee or spouse or relative of an employee of the Lender or The Southeast Texas Housing Finance Corporation. Describe relationship:

(b) I am not an employee or spouse or relative of an employee of the Lender or The Southeast Texas Housing Finance Corporation.

19. Penalty. These statements are made under penalty of perjury. I understand that any material misstatement in this or any affidavit or certification made in connection with application for or issuance of an MCC because I was negligent will result in a civil penalty of \$1,000, revocation of any MCC issued in connection with the application and any criminal penalty that may apply. Any material misstatement due to my fraud will result in a civil penalty of \$10,000, revocation of any MCC issued in connection with the application and any criminal penalty that may apply. I understand that perjury is a felony. A person who is convicted of perjury can be punished with a fine, imprisonment or both.

20. Attachments. All documents attached to this affidavit and marked as attachments are part of this affidavit and are true and correct and not misleading.

CERTIFICATE OF LENDER

I, the undersigned authorized officer of the above Lender do hereby certify, represent and warrant to The Southeast Texas Housing Finance Corporation (“Administrator”) and the Harris County Housing Finance Corporation (the “Corporation”), that:

1. All terms used herein shall have the meanings attributed to them in the Program Manual for the Corporation’s 2010B Mortgage Credit Certificate Program unless a different meaning is specifically defined herein or is required by the context in which the term appears.

2. I have read the Affidavit of Applicant, the Closing Affidavit, the Tax Return Affidavit and the Affidavit of Seller (collectively, the “Affidavits”) which were executed in connection with the Mortgage Credit Certificate Application made by the above Applicant and submitted to the Administrator. Prior to the execution of such documents, I reviewed the contents thereof with the Applicant, and if applicable, the closing agent.

3. (a) I have reviewed the credit analysis worksheet, or similar document, prepared in connection with this Loan. The worksheet accurately reflects the information this Lender has obtained concerning the monthly gross income of the Applicant, and this Lender has complied with the requirements of the Program Manual and the Lender Participation Agreement in verifying the accuracy of such information.

(b) Based upon Worksheet 1 attached to the Affidavit of Applicant, to the best of the Lender’s knowledge and belief the Applicant’s Anticipated Annual Family Income is \$_____.

(c) I further certify that I have examined the Applicant’s federal income tax return (or tax account information letter, if applicable) for the preceding year, and I have determined that the adjusted gross income of all persons who intend to reside with the Applicant in the Residence is within the required limit of \$89,320.

4. The Residence is located within the geographic limits of Harris County, Texas but not within the Cities of Baytown, Deer Park, Friendswood, Houston, La Porte, League City, Missouri City, Pasadena or Pearland (subject to change upon written notice from the Administrator).

5. I have conducted or have caused to be conducted an investigation regarding the truth of the facts set forth in said Affidavits, the nature of which investigation is as follows: [DESCRIBE DETAILS OF INVESTIGATION]

NOTE: Paragraph 6 below shall be deleted in its entirety in the case of an Applicant who is acquiring a Residence in a Targeted Area (which includes, through December 31, 2010, all of Harris County) or an Applicant who is refinancing a Qualified Subprime Loan.

6. The investigation described in paragraph 5 hereof complies with the requirements of the Program Manual and the Lender Participation Agreement, and such investigation included an examination of copies of income tax returns for the past three years provided by the Applicant which were filed with the Internal Revenue Service (or tax account information letters from the Internal Revenue Service covering such years), and the returns or information furnished indicated that during the preceding three years the Applicant did not claim deductions for taxes or interest on indebtedness with respect to the real property constituting a Principal Residence of the Applicant. [In the event that the Applicant was not required to file a federal income tax return for all of the three years preceding the execution of the Loan, the Lender is to make sure that the Tax Return Affidavit executed by the Applicant states that fact.]

7. **[This paragraph 7 shall only be included if the Applicant is refinancing a Qualified Subprime Loan.]** Based upon the standards that the Corporation has determined would evidence that the mortgage loan to be refinanced would be reasonably likely to cause financial hardship to the Applicant if not refinanced, the mortgage loan to be refinanced is a Qualified Subprime Loan.

8. **[This paragraph 8 shall only be included if the Applicant is refinancing a Qualified Subprime Loan.]** Based on an appraisal performed by _____ and received by the Lender in connection with its issuance of the Loan, the Acquisition Cost of the Residence is \$_____, which is the market value of the Residence at the time of refinancing.

9. **[This paragraph 9 shall only be included if the Applicant is refinancing a Qualified Subprime Loan.]** The Loan being executed to refinance a Qualified Subprime Loan is being originated under the FHA Hope for Homeowners Program.

10. No facts have come to my attention as a result of said investigation or otherwise which would cause me to disbelieve or doubt the truth of the Affidavits, or any portion of any of such Affidavits.

11. The Loan is secured by a valid lien on a Residence which to the knowledge of the Lender is occupied by or is to be occupied by the Applicant as his or her Principal Residence, is made in accordance with the Program Manual and the Lender Participation Agreement, and is not for the purpose of refinancing any existing loan on any such property (other than a construction period loan, construction bridge loan, or similar temporary initial construction financing initially incurred for the sole purpose of acquiring the Residence and initially incurred within 24 months of execution of the Loan and having an original term not exceeding 24 months or a Qualified Subprime Loan).

12. The fees and charges collected by the Lender for the Loan are in compliance with the Program Manual and the Lender Participation Agreement. The amounts collected by the Lender to reimburse the Lender for reasonable and customary charges paid or incurred for hazard or mortgage insurance premiums, survey, title insurances, appraisal fees, abstract and attorneys' fees, recording or registration charges, escrow fees, file preparation fees, application fees, credit reports, and similar charges do not exceed the reasonable and customary amounts charged by the Lender for mortgage loans not made in connection with the Program.

13. To the best knowledge of the Lender, the Applicant has not conveyed the Applicant's right, title or interest to or in the property to any party other than a trust for the benefit of such mortgagor and/or members of such Applicant's immediate family.

14. No portion of the financing of the Residence has come from the proceeds of qualified mortgage bonds or qualified veterans' mortgage bonds.

15. The statements set forth herein are made under penalty of perjury. I understand that perjury is a felony offense punishable by fine or imprisonment or both.

16. All capitalized terms used in this Certificate of Lender and not otherwise defined herein have the meanings attributed to them in the Program Manual distributed by the Corporation in connection with the Program.

NOTICE OF POTENTIAL RECAPTURE TAX

Because you are receiving a mortgage credit certificate with your mortgage loan, you are receiving the benefit of a credit against your federal income tax. If you sell or otherwise dispose of your home during the next nine years, this benefit may be “recaptured.” The recapture is accomplished by an increase in your federal income tax for the year in which you sell your home. The recapture only applies, however, if you sell your home at a gain and if your income increases above specified levels.

You may wish to consult a tax advisor or the local office of the Internal Revenue Service at the time you sell your home to determine the amount, if any, of the recapture tax. Along with this notice, below you are being given additional information that will be needed to calculate the recapture tax.

**NOTICE OF MAXIMUM RECAPTURE TAX AND
METHOD TO COMPUTE TAX ON SALE OF HOME**

A. Introduction.

1. General. When you sell your home you may have to pay a recapture tax as calculated below. The recapture tax may also apply if you dispose of your home in some other way. Any references in this notice to the “sale” of your home also include other ways of disposing of your home. For instance, you may owe the recapture tax if you give your home to a relative.

2. Exceptions. In the following situations, no recapture tax is due and you do not need to do the calculations:

- (a) You dispose of your home later than nine years after you close your mortgage loan;
- (b) Your home is disposed of as a result of your death;
- (c) You transfer your home either to your spouse or to your former spouse incident to divorce and you have no gain or loss included in your income under Section 1041 of the Internal Revenue Code; or
- (d) You dispose of your home at a loss.

B. Maximum Recapture Tax. The maximum recapture tax that you may be required to pay as an addition to your federal income tax is \$_____ [insert the actual dollar amount resulting from the product of 6.25% multiplied by the highest principal amount of the mortgage loan]. This amount is 6.25% of the highest principal amount of your mortgage loan and is your federally subsidized amount with respect to the loan.

C. Actual Recapture Tax. The actual recapture tax, if any, can only be determined when you sell your home, and is the lesser of (1) 50% of your gain on the sale of your home, regardless of whether you have to include that gain in your income for federal income tax purposes, or (2) your recapture amount determined by multiplying the following three numbers:

- (i) \$_____ [insert the actual dollar amount resulting from the product of 6.25% multiplied by the highest principal amount of the mortgage loan] (the maximum recapture tax, as described in paragraph B above),

- (ii) The holding period percentage, as listed in Column 1 in the Table, and
- (iii) The income percentage, as described in paragraph D below.

D. Income Percentage. You calculate the income percentage as follows:

- (i) Subtract the applicable adjusted qualifying income in the taxable year in which you sell your home, as listed in Column 2 in the Table, from your modified adjusted gross income in the taxable year in which you sell your home.

Your modified adjusted gross income means your adjusted gross income shown on your federal income tax return for the taxable year in which you sell your home, with the following two adjustments: (a) your adjusted gross income must be increased by the amount of any interest that you receive or accrue in the taxable year from tax-exempt bonds that is excluded from your gross income (under Section 103 of the Internal Revenue Code); and (b) your adjusted gross income must be decreased by the amount of any gain included in your gross income by reason of the sale of your home.

- (ii) If the amount calculated in (i) above is zero or less, you owe no recapture tax and do not need to make any more calculations. If it is \$5,000 or more, your income percentage is 100%. If it is greater than zero but less than \$5,000, it must be divided by \$5,000. This fraction, expressed as a percentage, represents your income percentage. For example, if the fraction is \$1,000/\$5,000, your income percentage is 20%.

E. Limitations and Special Rules on Recapture Tax.

1. If you give away your home (other than to your spouse or ex-spouse incident to divorce), you must determine your actual recapture tax as if you had sold your home for its fair market value.

2. If your home is destroyed by fire, storm, flood, or other casualty, there generally is no recapture tax if, within two years, you purchase additional property for use as your principal residence on the site of the home financed with your original subsidized mortgage loan.

3. In general, except as provided in future regulations, if two or more persons own a home and are jointly liable for the subsidized mortgage loan, the actual recapture tax is determined separately for them based on their interests in the home.

4. If you repay your loan in full during the four-year period following the day you close your subsidized mortgage loan and you sell your home during the nine-year recapture period, your holding period percentage may be reduced under the special rule in Section 143(m)(4)(C)(ii) of the Internal Revenue Code.

5. Other special rules may apply in particular circumstances. You may wish to consult with a tax advisor or the local office of the Internal Revenue Service when you sell or otherwise dispose of your home to determine the amount, if any, of your actual recapture tax. See Section 143(m) of the Internal Revenue Code generally.

Note: Closing means the closing date for your loan.

*Lender: The actual notice to the applicant must provide the actual dollar figures for adjusted qualifying incomes for each of the years covered by the table. The entries in the first row are the highest qualifying incomes that, as of the date of the mortgage loan closing, would have met the low income requirement of Section 143(f) of the Code, taking into account whether the home financed with the subsidized mortgage loan is located in a targeted area as described in Section 143(j) of the Code (but determined without regard to Section 143(f)(3)(A) of the Code) or in a high housing cost area as described in Section 143(f)(5) of the Code. The entries in each subsequent row equal the entries in the immediately preceding row, times 1.05. The formula for determining these numbers is set forth in Section 143(m)(5) of the Code. Please refer to the “Worksheet to Compute Recapture Tax” provided by the Program Manager in order to complete Column 2.
